LOOKING FOR A PART-TIME JOB?

ONLINE JOB SEARCH

MANY people search for jobs on the internet because it is easy and convenient. But remember, if you are going to apply online, be sure to follow up with the employer soon after applying.

HireMizzouTigers.com (powered by Handshake)

- A FREE service for all MU students and alums
- The MU Career Center directs all on and off campus employers to advertise their part-time positions on this website. In addition to part-time jobs, find listings for internships and full-time jobs, review a list of campus events, and sign up for employer interviews.
- Visit www.HireMizzouTigers.com and register. Complete your profile and post a résumé to be reviewed by staff. Once approved you may start applying to jobs!

DIRECT CONTACT

Overview: Talk directly to potential employers to add a personal touch to your search. Be assertive and proactive when contacting your resources. There does not have to be a job posted for you to ask about possible openings.

Campus Departments: There are hundreds of MU departments in academics, student services, and general operations. For a comprehensive list of departments to potentially reach out to, browse the A-Z index at www.missouri.edu.

Professors: Speak with professors about possible employment opportunities or to generate referrals.

The District: Look for openings at stores, restaurants and other venues in downtown Columbia, which is within easy walking distance of campus.

Shopping Areas: Opportunities may be available in one of the many stores in the Columbia Mall and other retail outlets in the area. Go to http://visitcolumbiamall.com or http://www.visitcolumbiamo.com/section/shop/ for ideas.

Columbia Community: Be proactive in contacting businesses and organizations in Columbia. Get ideas of by going to websites for the Columbia Chamber of Commerce, Visit Columbia, and Columbia Yellow Pages.
